

ICE CREAM & CHOCOLATE PRODUCTION ASSISTANT

in our external kitchen

True & 12 Handmade Ice Cream

#STAYTRUE

True & 12 Handmade Ice Cream is unique because we are one of the few ice cream parlors who design their own recipes and therefore do not need to rely on pre-mixed ice cream bases. This allows us to be creative and innovative. We produce ice cream fresh in small batches, on a daily basis.

For the new season 2022, we are looking for assistance with the production of both our artisan ice cream and our bean to bar chocolate.

Due to the seasonality of the business, and our Post Corona recovery attempts, this position will be offered on a 450 Mini Job basis. A Kurzfristige Beschäftigung is also an option for someone who knows they can only work a limited time (3 months at most). A part or full time contract may be offered to the ideal candidate in the near future.

The kitchen is the heart of our business, and this position very valued.

Important: our kitchen is outside of Munich and not well-connected to public transportation. The S-Bahn station is not in walking distance. One would need their own transportation or be willing to rely on the bus, which runs directly (yet not regularly) to and from Ostbahnhof.

MAIN TASKS

- Setting up the kitchen and required equipment and machinery with care and attention to detail
- Operating the ice cream machine(s) and managing small batches of daily flavors
- Prepping fruits and vegetables for ice cream production
- Sorting cacao beans for chocolate production
- Meticulously cleaning and disinfecting kitchen equipment and machinery

OUR EXPECTATIONS

- Have an eye for detail, and keep the kitchen organized and clean at all times. Proper hygiene and cleanliness are essential.
- Be able to follow instructions independently and meticulously, concentrating on recipes and the production methods required
- Experience working in a kitchen is valued but not required
- Understand, share and be able to articulate what distinguishes True & 12 from other gelaterias
- Have stamina and the ability to work in a fast-paced environment
- Be able to lift heavy boxes or heavy and fragile equipment
- Be flexible to working on some (or all) weekends, and holidays. Our shop and production run 7 days a week
- Be reliable, and on time for every shift
